## PET POLICY

The staff and management of Holiday Inn Express and Suites are delighted to welcome all well-behaved pets and their owners. Please keep in mind, however, that there may be guests sharing the same facilities who have adverse reactions to pets. In order to comfortably accommodate all of our guests, both two and four-legged, we ask that pet owners be considerate of others by adhering to the following policy:

- ❖ All pet(s) must be registered at check in. You will be charged a non-refundable pet fee of \$25.00 (plus 15.75% tax) per night up to three nights\* (max charge of \$75 plus tax). (*\*service animals are exempt from this fee*)
- ❖ Holiday Inn Express and Suites reserves the right to charge the pet owner's credit card for any damage discovered after departure. All guests will be asked for an imprint of a credit card.
- ❖ **You are financially responsible for any physical damage caused by your pets, and will be charged for any compensation given to other guests due to infringements as a result of any disturbance created by your pet.**
- ❖ **Our Room Attendants will be unable to service your room if your pet is not in a carrier.** Please make arrangements with the Front Desk for a specified time to have your room serviced.
- ❖ **Please do not leave your pet in your room unattended.**
- ❖ **Please have your pet on a leash at all times while on the hotel property.** This is for the well-being of other guests and for the safety of your pet.
- ❖ **Pets are not permitted in the Dining Area and Pool areas** due to the policy set forth by the Tennessee Department of Health.

**Owners are responsible for picking up their dog's waste inside and outside the property. Those who choose not to will incur a \$50 fee.**
